REASONS FOR ALLOWANCE

The following is an examiner's statement of reasons for allowance: The prior art of record fails to reasonably teach the claimed method of content synchronization through the use of a counter between two musical game apparatuses and the ability to allow a second player to join in a game performance during the middle of the first player's performance in combination. While prior art including Ota (6,001,013) teach competition between two players in a musical game they fail to address issues raised when there are multiple gaming devices and provide for the addition of another player through correlation to the present players musical position after initial commencement of the game. The remaining prior art of record fails to reasonably suggest the presented combination of features when considered individually or in combination.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Robert Mosser whose telephone number is (571)-272-4451. The examiner can normally be reached on 8:30-4:30 Monday-Thursday.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Derris H Banks can be reached on (571)272-4419. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
